25th Annual Ski-A-Thon Saturday, March 27, 2010

► **Excitement** is building here at MHS. The Ski-A-Thon is only 6 weeks away. Lots of teams are registering, many of them new to MHS. We need your help in reaching our goal of 150 teams this year.

Have you registered your team yet? Please do it now! Email, fax or mail it in to Joanne Mercier so we can get your team name on the BIG BOARD outside of MHS.

Need a team member or two to round out your team of 5? Let Joanne know and she will find you a team member!

Help Market Our Mission

This is our 28th winter season at MHS and every lesson is still FREE.

We are a year-round program-participants golf, paddle and cycle in the summer at various locations in ME

Our MHS Winter Race Team is nationally recognized. We win top awards each year.

Our Veterans/No Boundaries program provides free winter and summer adaptive recreation to veterans and active duty personnel with physical disabilities.
