

So, just what is the Challenge Cup?

This year, in celebrating our 25th anniversary Ski-A-Thon, we want to give Ski-A-Thon teams the opportunity to participate in a **new** category called **THE CHALLENGE CUP!**

We want to **amp up the competition** to see which team will be the top fundraiser in their category!

The top fundraising team in each Challenge Cup Category will have their name engraved on a beautiful Cup, which will be proudly displayed at the MHS Center at Sunday River.

For the first year, we have six categories:

Counsellor's Cup

Law firm teams can compete within their own firm or against other law firms!

Semi-Conductor Cup

National Semiconductor and Fairchild Semiconductor teams will compete within their own company or against each other!

Sunday River Condo Cup

Teams put together by the various Sunday River Condo Associations will compete against one another!

Sugarloaf Cup

Teams made up of Sugarloafers will have a chance to compete against each other!

Participant Cup

Your team needs only one MHS participant registered on your team to compete in the Participant Cup!

Volunteer Cup

Your team needs only one MHS volunteer registered on your team to compete in the Volunteer Cup!

(If you have one or more participants or volunteers registered on your team you can choose which Cup category you would like to participate in)

Any questions? Please call Joanne or Wendy at 207-824-2440 or email Joanne at jmercier@skimhs.org.

Bring It On!

25th Anniversary Ski-A-Thon

Saturday, March 27, 2010
